Solicitation Amendment 004

This amendment is raised to:

1) Answer Bidder questions and Canada Answers

1) Answer Bidder questions and Canada Answers

Bidder's question: Regarding the subject solicitation, we will offer a 6-passenger marine craft that meets all the technical requirements. Since our subcontractor has enough experience in marine vessels, would it be possible to change the word "bidders" to "bidders/subcontractor" on section 4.1.1.2 Proven Aluminum Vessel Construction Experience, page 8:

Bidders/subcontractors must provide documentation for a minimum of two proven marine vessels of similar size, type, and complexity to the requirement of this RFP which have been produced and in service within the last ten years.

Canada's answer:

Section 4.1.1.2 does not require bidders to demonstrate their experience (or their subcontractor's experience) constructing similar vessels. The intent of the criterion is to obtain proof that the bidder has previously delivered at least two similar vessels within the last ten years – please refer to the revised criterion below.

Further, please note that any subcontractors used by the Bidder to meet the requirements of the solicitation must be identified in its bid, in accordance with section 4.1.2.3.

4.1.1.2 Delivery of Similar Vessels

The Bidder must demonstrate that it has delivered two vessels of similar size, type and complexity, to one or more external clients within the last ten years.

To demonstrate its experience, the Bidder must provide the following information for each delivered vessel:

- A contract or project reference number
 - The size and type of vessel
 - How the vessel is of similar complexity
 - The delivery date of the vessel
 - The contact information for the external client, including first and last name, title, organization telephone number and email address.
-

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
