**NOTE: This notice is published as a continuance of, and is directly related to RFI # W8476-236722 published June 9, 2023**

Amendment #001 is raised to correct the Preferred Response Time on the notice to match the date in the RFI, to extend an invitation for One on Ones and provide additional information regarding an Industry Day presentation.

**Night Vision Devices (Monocular and Binocular) Industry Day Deck and One on Ones.**

In lieu of an Industry Day presentation, Canada will post an Industry Day deck on Canada Buys for interested suppliers to review and formulate any questions they may have. This Industry Day deck is scheduled to be posted on Canada Buys by July 31, 2023. Any changes to these dates and times will be followed up with a subsequent amendment issued against this RFI.

Any exchange of information from resulting Questions and Answers deemed to be of significant value to suppliers may be provided on Canada Buys via an amendment to this RFI.

**NVD One-on-One Sessions**

Canada will host optional One-on-One sessions with interested Industry Participants.

The One-on-One sessions will take place virtually via Microsoft Teams beginning on Monday, July 31, 2023, up to Friday, August 4, 2023 and Tuesday, September 5, 2023 up to Friday, September 8, 2023 (if needed).

The One-on-One meetings will allow the potential Industry participants to present their solutions, identify concerns, and pose their questions. While the Government participants do not plan to provide any new information during the One-on-One meetings, any new information discussed will be posted for all potential bidders to view through an amendment to this RFI, unless it is deemed Commercial Confidential and then nothing will be published. Canada may request further consultations with any suppliers at any time during this RFI period, in order to obtain clarification on feedback received. Sessions will be for a maximum period of two hours each. Interested suppliers must indicate their interest by submitting the names and titles of each attending company representative to the Contracting Authority named in this RFI no later than **July 24, 2023**. Suppliers are encouraged to submit their presentation and questions prior to their individual One-on-One session.

Time slots will be awarded to each interested company based on a first come first served basis, which will be confirmed in writing back by the Contracting Authority. In order to allow for scheduling flexibility in case of conflict, please indicate in your request your first, second and third-choice time slot.

Available time slots are as follows:
