Amendment 003

This solicitation amendment is issued to answer questions from the Industry.

Item	Question	Response
3	Throughout the contract, if ESDC wishes to engage the Contractor (PS resources) to implement specific improvements and enhancements, this is handled through a Task Authorisation. Is this correct?	Correct, specific changes outside of updates and maintenance and support are actioned using a Task Authorization.
4	Does training need to be instructor led or is it sufficient for training to be on-demand and self-paced following learning paths designed for roles such as admins, developers, and functional / business analysts?	Statement of work, section 7.4.2 Training Services clearly states: "The virtual training must be provided in a virtual classroom setting with a real instructor."
