Solicitation Amendment 009 is issued to:

1. Modify Solicitation Amendment 006, Response 49 in the Q&A.
 2. Modify Sections 2.7.1 and 7.3.1 of the ITT related to the Vessel Work Period.
 3. Replace Q58 and R58 in Solicitation Amendment 008.
-

1. Modify Solicitation Amendment 006, Response 49 in the Q&A.

- DELETE (statement in its entirety) R49 in Solicitation Amendment 006.
- INSERT R49

Q49 - General

The commencement of the vessel work period is too close to the submission of bids and issue of Contract Award. Also, the start of work coincides with the arrival of the vessel, which does not provide us with the time to coordinate and prepare for its arrival. We believe that Canada would have everything to gain from providing an initial work period of a few months at the start of the project to allow us to place orders for equipment, prepare for the arrival of the vessel and make the necessary arrangements for the vessel work period.

R49

Canada will modify the vessel work period to start on December 1, 2023 and end on March 31, 2025.

2. Modify Sections 2.7.1 and 7.3.1 of the ITT related to the Vessel Work Period.

- DELETE (statement in its entirety) Sections 2.7.1 and 7.3.1
- INSERT
