Solicitation Amendment # 028

This amendment is hereby raised :

- 1. To include Questions and the Responses for the solicitation.**
-

1. Questions and the Responses for the solicitation.

Q#1:

Taking into account that:

- Another call for tenders from PWGSC (NGCC Judy LaMarsh) is in progress during the same period ;
- The closing date for the Judy LaMarsh is only one (1) week before that of the Griffon ;
- A large part of their workforce is assigned to estimates and putting together the bid for the Judy LaMarsh ;
- The start date of work on the Griffon is postponed by 6 months.

The bidders request that the closing date for the Griffon also be extended by one month to allow them to adequately complete their bids and all the documentation required for this call for tenders..

A#1: Canada will extend the bid closing date by 4 weeks, to **November 08, 2023**.

All enquiries must be submitted in writing by email to the Contracting Authority no later than **October 25, 2023**. Enquiries received after that time will not be answered.

Q#2: A general request concerning the CCGS Griffon project:

In order to proceed with the evaluation of the work to be carried out in the confined spaces of the vessel according to the obligations currently in force, can you please provide us with the characterization of these? This will enable us to better assess the time required to carry out the work, and also to produce the related salvage plans as required by current regulations.
