### **Solicitation Amendment # 037**

**This amendment is hereby raised :**

- 1. To update section 2.2 of the ITT – Submission of Bids.**
- 

#### **1. To update section 2.2 of the ITT – Submission of Bids**

- Delete section 2.2 - Submission of Bids in its entirety.
- Insert section 2.2 - Submission of Bids.

#### **2.2 - Submission of Bids**

Bids must be submitted only to Public Services and Procurement Canada (PSPC) Bid Receiving Unit by the date, time and place indicated on the front page of the bid solicitation.

##### **PSPC Bid Receiving Unit**

Only bids submitted using **Canada Post Corporation's (CPC) Connect** service will be accepted. The Bidder must send an email that includes the bid solicitation number, requesting to open a **CPC Connect** conversation to the following address:

[tpsgc.pareceptiondessaoumissions-apbidReceiving.pwgsc@tpsgc-pwgsc.gc.ca](mailto:tpsgc.pareceptiondessaoumissions-apbidReceiving.pwgsc@tpsgc-pwgsc.gc.ca)

**Note:** Bids will not be accepted if emailed directly to this email address. This email address is to be used to open a **CPC Connect** conversation, as detailed in Standard Instructions 2003, or to send bids through a **CPC Connect** message if the Bidder is using its own licensing agreement for **CPC Connect**.

It is the Bidder's responsibility to ensure the request for opening a **CPC Connect** conversation is sent to the email address above at least **six (6) days** before the solicitation closing date.

**Bids transmitted by facsimile or in hard copy to PSPC will not be accepted.**

##### **2.2.1 Technical Difficulties of Bid Transmission**

This section applies despite anything to the contrary in this solicitation or the Standard Instructions.

Where a Bidder has commenced transmission of its bid through bid through an electronic submission method (such as Canada Post Corporation's (CPC) Connect service, CanadaBuys (SAP Ariba) or other online service) in advance of the bid solicitation closing date and time, but due to technical difficulties, Canada was unable to receive or decode the entirety of the Bid by the deadline, Canada may nonetheless accept the entirety of the Bid received after the bid solicitation closing date and time, provided that the Bidder can demonstrate the following:

(i) The bidder contacted Canada in advance of the bid solicitation closing date and time to attempt to resolve its technical difficulties; OR

(ii) The electronic properties of the Bid documentation clearly indicate that all components of the Bid were prepared in advance of the bid solicitation closing date and time.

### **2.2.2 Completeness of the Bid**

After the closing date and time of this bid solicitation, Canada will examine the Bid to determine completeness. The review for completeness will be limited to identifying whether any information submitted as part of the bid can be accessed, opened, and/or decoded. This review does not constitute an evaluation of the content, will not assess whether the Bid meets any standard or is responsive to all solicitation requirements, but will be solely limited to assessing completeness. Canada will provide the Bidder with the opportunity to submit information found to be missing or incomplete in this review within two business days of notice.

Specifically, the bid will be reviewed and deemed to be complete when the following elements have been submitted by the bidder:

1. That certifications and securities required at bid closing are included.
2. That bids are properly signed, that the bidder is properly identified.
3. Acceptance of the terms and conditions of the bid solicitation and resulting contract.
4. That all documents created prior to bid closing but due to technical difficulties Canada was unable to receive them, have been properly submitted and received by Canada.
5. All certifications, declarations and proofs created prior to bid closing but due to technical difficulties Canada was unable to receive them, have been properly submitted and received by Canada.

**End of Solicitation Amendment #037.**
