Solicitation Amendment # 040

This amendment is hereby raised :

- 1. To include Questions and the Responses for the solicitation.**
-

1. Questions and the Responses for the solicitation.

Q#1: PDS

G.1.4.6.4 The pricing data sheet indicates for this item: "Cost of a full hazardous materials assessment of the vessel carried out by a fully certified and accredited third party testing and abatement organization".

We understand that this is a subcontractor (third party). So why does the pricing data sheet ask for labor cost and material cost? The cost for this item should appear under the "Total Subcontractor Cost" column.

A#1:

A revised Annex H – Appendix 1 – Pricing Data Sheet (PDS) – ***rev 05***, has been added into the Technical Data Package which is accessible through share point.

Correction has been identified in ***bold italic and highlighted***.

Q#2: PDS

12.16.C.6.5 The price data sheet indicates for this item: "Price for five (5) adjustments for the key". The technical quote also asks for 5 adjustments. However, the quantity indicated on the price sheet for this item is ten (10).

What is the right quantity to consider?

A#2:

10 is the right quantity to consider = (5) fits / key

End of Solicitation Amendment #040.
