### Ground Based Air Defence (GBAD) Project – List of Qualified Suppliers

On December 22, 2023 Canada published the Invitation to Qualify (ITQ) W8476-185732/E as part of the procurement process for the Ground Based Air Defence (GBAD) Project. Respondents were invited to qualify in order to participate in any subsequent phases of the procurement process including the Review and Refine Requirements (RRR) phase. Industry was informed that only Qualified Respondents would be permitted to participate and bid on any subsequent solicitation issued as part of the procurement process.

With the completion of the ITQ Phase and in accordance with the ITQ terms, Canada is publishing the list of Qualified Suppliers.

The Qualified Suppliers (in alphabetical order) are:

1. The team of Lockheed Martin Canada and Diehl Defence GmbH & Co. KG
2. MBDA Missile Systems
3. Raytheon Canada
4. Saab Canada

#### Additional Qualified Respondents:

Canada may, at its sole discretion, re-open the ITQ. If so, Canada will publish an ITQ on the Government Electronic Tendering Service. If other qualification rounds result in additional Qualified Respondents, Canada will share the RRR Phase documents with them and they may join the engagement activities, assuming Canada has planned more activities at the time.

#### Fairness Monitor and Consultants:

Canada has engaged Samson & Associates as a fairness monitor for this procurement. Canada may engage consultants at its sole discretion for the purposes of the GBAD Project. The list of consultant firms engaged by Canada during the procurement process will be published through this notice.

#### Updating the Lists:

The list of Qualified Respondents will be updated through this notice. The list of consultant firms engaged by Canada will also be updated as applicable.
