

AMENDMENT 001

This amendment 001 is issued for the following:

- 1) To answer the questions received.
-

Q1. NSA Item #4, please confirm the requirement for "adjustable legs" is for electric height-adjustable bases?

A1: The requirement is to install legs and an electrical system on existing 24x48 surfaces in order to form an electrical adjustable table.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
