**Subject:** P2400219 Request for Proposal - Community-Led Tourism Development in Atlantic Canada

**ADDENDUM No.1**

Further to the above-mentioned Request for Proposal, Addendum No. 1 is hereby issued.

**Questions and Answers:**

**Question 1**

Would Canada consider providing a price range in terms of budget for the work?

**Answer 1**

No. For the Government of Canada to receive a competitive bid, these types of RFPs do not benefit from providing a proposed budget or ceiling price. Our recommendation is to ensure that all Evaluation criteria are met, and to provide your company's most competitive bid for Government of Canada evaluators to compare as per our standard practices laid out in the RFP.
