Notes:

1. * Arviat Detachment – refer to Exemptions and Clarifications section.
2. One house is one unit. A duplex or upper and lower house is two housing units.
3. Warehouses, garages, storage buildings. Heated buildings may have furnaces/forced air units, boilers, and/or unit heaters (electrical or forced air).
4. Decommissioned buildings (houses or storage buildings) not in use as storage do not require inspections.
