Q1. Can the Crown please confirm which Financial Tables the bidder should be using to submit their financial information? Is the Annex B or Attachment 3 – Pricing Schedule? There seems to be discrepancy in the RFP.

A1. The vendor must submit their financial information in Attachment 3 of the RFP:

- As per Part 4, section 4.3 “For bid evaluation and Contractor selection purposes only, the evaluated price of a bid will be determined in accordance with the Pricing Schedule provided in Attachment 3 of this bid solicitation.”

However, this information must be in accordance with Annex B which will form a part of the resulting contract:

- As per Part 3, section 3.3 “Bidders must submit their financial bid in accordance with the Basis of Payment provided in Annex B.”

Q2. Regarding Section IV Additional Information. Do we still need to provide Section IV if we have already provided the Safeguarding information in the Bid Submission Form?

A2. Yes, this information should be provided in both 3.5 Section IV – Additional Information and Attachment #2 Bid Submission Form.

Q3. Due to the complexity of preparing a response to this solicitation and the large number of bids currently out to tender we would like to request a one-week extension to the solicitation closing date to ensure that vendors are able to submit high quality responses that provide the best value to the crown.

A3. There will be no extension to the solicitation at this time.

Q4. This solicitation is confirmed on CanadaBuys to have an incumbent under contract W8474-23DB08 with a contract value of \$217,919.37 CAD. Would the Crown please identify the incumbent?
