Amendment 003 is raised to:

- 1) Amend the submission of bids

---

**1) Delete in its entirety Section 2.2 Submission of Bids**

Unless specified otherwise in the RFP, bids must be received by the Contract Authority at the location identified by the date, time and place indicated on page 1 of the solicitation. If your bid is transmitted by electronic mail, Canada will not be responsible for late bids received at destination after the closing date and time, even if it was submitted before.

Individual e-mails that may include certain scripts, formats, embedded macros, and/or links, or those that exceed 10 megabytes may be rejected by Canada's e-mail system and/or firewall(s) without notice to the Bidder or Contracting Authority. Larger bids may be submitted through more than one e-mail. Canada will confirm receipt of documents. It is the Bidder's responsibility to ensure that their entire submission has been received. Bidders should not assume that all documents have been received unless Canada confirms receipt of each document. In order to minimize the potential for technical issues, bidders are requested to allow sufficient time before the closing date and time to confirm receipt. Bid documents submitted after the closing time and date will not be accepted.

Bids must be submitted by Electronic Submission only to [louise.curtis@tc.gc.ca](mailto:louise.curtis@tc.gc.ca).
