14. Tato Recruiting Inc., S. I. Systems ULC, in Joint Venture
15. Thales Canada Inc.

#### **Description of Work:**

The Royal Canadian Mounted Police (RCMP) Canadian Firearms Program (CFP) requires the services of one (1) senior C.16 Privacy Impact Assessment Specialist in order to further expand the Privacy Impact Assessments (PIA) for the CFP's Canadian Firearms Digital Services Solution (CFDSS). A privacy-by-design approach has been used to develop PIAs in phases, aligned with project releases.

The RCMP requires the services of a qualified resource in order to continue development of comprehensive PIAs for the CFP, particularly as it pertains to the CFDSS's new and evolving capabilities, which will continue to be incrementally implemented through the next 3 years.

The PIAs must assess the privacy risks of the CFDSS, including the provision of guidance and advice with respect to modifying CFP policy and procedures involving privacy considerations and any impact on the PIA.

The current privacy-by-design approach will continue through the remainder of the project.

- The work is currently being performed by Altis Recruitment & Technology Inc. under contract (value \$182,754.90 including taxes).

#### **Security Requirement:**

SRCL #102928 applies

#### **Minimum Corporate Security Required:**

Designated Organization Screening (DOS)
