The following is a summary of the statement of work for this requirement.

The Correctional Service Canada has a requirement to upgrade the site key safes, and install one (1) new key safe for the failed unit on site, and all of the associated elements identified in the RFP, at Kent Institution, 4732 Cemetery Road, Agassiz, British Columbia.

Deliverables:

Existing keypads across the site are failing and locking up. The Contractor must replace them all with the 'BEAR Keypad Upgrade kit - Part Number 8190003A'. The current Global Facilities Management Software (GFMS) is outdated. The Contractor must update that software for full functionality.

The Contractor must:

1. Supply, setup, program and commission Key Systems Inc (KSI) components
2. Provide:
 - a) eight (8) Upgrade Kits for the existing Key Systems enclosures Part Number 8190003A
 - b) one (1) Complete 64 Key Safe Enclosure to replace the existing enclosure Part Number K1C2828C064G
 - c) eight (8) Yuasa Replacement batteries 12 Volts (V) 7 Amp Hour (AH)
 - d) two (2) Sliding Latch Door Assembly (Part Number: 2690224B)
 - e) five (5) Latch Bolt springs (Part Number: 98-0028)
7. Install new blue patch cables in all panels
8. Replace existing fuses in each cabinet with glow fuses three (3)
9. Replace patch cables in existing cabinets with new CAT6 cable (blue) with factory molded ends and test connection with site Information Management Services (IMS) team
10. Provide training to local maintenance contractor (ADGA) and site Security Maintenance Officer (SMO)
11. Work with site IMS Information Technology (IT) personnel to upgrade GFMS software to latest version

Any conditions for participation of suppliers not specified in solicitation documentation: none.

Estimated quantity of commodity: see solicitation document statement of work and basis of payment.

Duration of Contract and Time Frame for Delivery:

Delivery Date: All the deliverables must be received on or before March 20th, 2024.

File Number: 21120-24-4446637

Contracting Authority: Stéphanie Gigoux

E-mail: stephanie.gigoux@csc-scc.gc.ca

NOTE TO BIDDERS: The bidders may obtain copies of the documents relating to this invitation to by contacting the contracting authority named in this notice.

The Crown reserves the right to negotiate with suppliers on any procurement.

Documents may be submitted in either official language of Canada (English or French).

After contract award, bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within fifteen (15) working days of receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

Procurement Assistance Canada (PAC) offers seminars to businesses interested in learning how to sell goods and services to the Government of Canada. The seminars are FREE.

Topics include:

- Overview of the federal government contracting process;
- Searching for opportunities on the Buy and Sell - Tenders website;
- Bidding on opportunities;
- Registering in supplier databases.
