QUESTIONS TO THE SOLICITATION

Question 1

I wanted to ask if it is possible to remove the OEM certification requirements. In this field, there are giant manufacturers that usually don't give out certification like this to anybody, so it is not feasible to submit OEM certification with our bid.

Answer 1

No, NRC will keep the OEM certification in the solicitation document. If you are an authorized distributor of the completed equipment, please supply the OEM certification. If you are the entity that is designing/building/assembling the equipment, please indicate you are the OEM.

Question 2

Concerning Item 6.16 – Withholding of 15 percent on Service Contracts with Non-residents. The solicitation is for the delivery of a Benchtop Ultrasonic Spray Coating System, there is no Service Contract involved with the solicitation. Considering there are no services to be performed in Canada, can you please confirm that we will not be subject to the 15% withholding requirement.

Answer 2

Yes, I confirm there are no services related to this solicitation.

See modification to the solicitation below.
