ANNEX “D” EVALUATION PROCEDURES & CRITERIA TECHNICAL PROPOSAL

Please delete R.2 Relevant Work Experience in Crop Insurance and replace with the following:

<p>R.2</p>	<p>Relevant Work Experience in Crop Insurance</p> <p>The criterion will be evaluated based on <u>two work projects</u> completed within the past five years. Each project should demonstrate that the bidder/project team has the capability, qualifications and experience in the following area:</p> <p>Collecting and synthesizing technical data to assess risks in agricultural insurance. (maximum 10 points per project)</p> <p>For each project, Bidders should provide:</p> <ul style="list-style-type: none">▪ The context of the project (Project Name, Timeline)▪ The type of client (industry, government, not-for-profit, etc.)▪ Project objectives;▪ Project deliverables▪ The project lead and relevant team members’ reporting relationships and tasks completed.▪ The current client contact information (may be used to validate that the work occurred) <p>Scoring: The Bidder will receive up to 10 points for each project. Full points will be awarded if all the requested information is provided. Point reductions are based on the amount of requested information that is not provided.</p> <p><u>RATING SCALE:</u> 9-10 - Excellent – <u>Strongly</u> demonstrated experience in crop insurance 7-8 - Very Good – <u>Clearly</u> demonstrated experience in crop insurance 6 - Good – <u>Fair</u> demonstrated experience in crop insurance 5 - Moderate – Demonstrated <u>some</u> experience in crop insurance 1-4 - Weak – <u>Weakly</u> demonstrated experience in crop insurance 0 - Poor – No experience demonstrated in crop insurance</p> <p>Total Points – Relevant Work Experience in Crop Insurance</p>		<p>Maximum 20 Points (10 points per example)</p>
