## AMENDMENT No. 001

---

Amendment 001 of Solicitation # **5000068002-01** is raised to revise the Request for Proposal (RFP).

### **RFP REVISIONS**

#### **1. At Appendix 2 to Annex A – Penalties for Non-Performance:**

##### **Inclement Weather/Road Conditions**

**DELETE:** in its entirety

**INSERT:** If the weather or road conditions are such that the Contractor could not reasonably be expected to travel to the upper air station to attempt an aerological release, the Contractor will not be liable for non-performance liquidated damages resulting from the missed observation; however, the Stony Plain Service Desk **MUST** still be notified 1 877 292-0939.

If the following criteria are met, payment will not be made for the ascent, but non-performance liquidated damages will not apply:

1. Prevailing wind speed greater than sixty (60) kilometers/hour; and
2. Either:
  - a. Prevailing visibility less than four hundred (400) meters (1/4 mile) or
  - b. Wind chill -60°C or colder

The Contractor will not be held liable for non-performance penalties resulting from the missed ascent due to inclement weather/road conditions; however, in order to avoid penalties for non-performance the Stony Plain Service Desk **MUST** be contacted at **1-877-292-0939** or by email at [StonyPlainService@ec.gc.ca](mailto:StonyPlainService@ec.gc.ca) . If the call is not made, the survey will be considered to be missing and penalties for non-performance will be applied.

If the weather conditions in the above paragraph do not exist, but in the opinion of the Contractor attempting an observation will cause a significant risk to the observer's health and safety, the Contractor is not obligated to attempt an aerological observation and penalties for non-performance will not apply, however, the Stony Plain Service Desk **MUST** be contacted at 1-877-292-0939.

If the contract resource cannot make it to the Upper Air Station for reasons other than inclement weather, such as building maintenance issues, vehicle issues or for any other reason than the Stony Plain Service Desk **MUST** be contacted at 1-877-292-0939.

In the case, it is considered as missed ascent, the Contractor will not be paid for the observation *plus* a reduction of one (1.0) times the aerological Observation rate will be applied.

**All other terms and conditions of the Bid Solicitation remain the same.**
