

Questions and Answers #001

Question 1:

What is the expected number of participants to be included in the training program?

Response 1:

Approximately 120 per year.

Question 2:

What is the expected duration to complete the training program per participant (did you have a target completion timeline)?

Response 2:

A course should be completed, and the exam passed, within 3 months from the time of registration.

A workshop should be completed within 1 month from the time of registration.

Question 3:

Are you open to entertaining any other global certification beside FITT's CITP/FIBP?

Response 3:

Other certifications of an equally high standard and scope would be considered.

Question 4:

Would you be beneficial if the participants received credit towards a Canadian post graduate credential in International Business Management?

Response 4:

Credit towards a Canadian post graduate credential is not necessary.
