Amendment 002

This amendment is raised to:

- A. Distribute information from the Site Visit held on 'Date'.

A. Site Visit Information

1. Site Visit Attendees

	Vendor
1	Roof Tile Management Inc.
2	10-Tech Industrial Inc.
3	Ferro Construction Ltd.
4	Heritage Restoration Inc.
5	Robson Design Build
6	AC Metal Fabricating Limited
7	Cunningham Sheet Metal

2. General Information

The site visit for this project is MANDATORY. The representative of the Bidder must sign the Site Visit Attendance Sheet at the site visit.

3. Questions & Answers

Q1: How will the contractor access large pieces of equipment and where is the staging area.

A: The site is configured in a loop and access will be in that manner but, this large equipment temporary closures can be coordinated with the site to allow for easier access as required. The staging area for this project will be the area currently used as parking.

Q2: Does this project require the replacement of the entire rail system?

A: Yes

Q3: The glass panels will be removed and stored and then reinstalled. Does this include the hardware?

A: The removal does include the clips and if damage during the process replaced as required.

Q4: Will the successful contractor have access to as-builts from the original project?

A: Yes, the original documents from the project will be made available for reference only.

File Name - Nom du dossier

Stage 1 - Tip Tower Guardrail Replacement and Repairs, Point Pelee National Park

Q5: Will there be access for lift equipment at the base of the tower?

A: There is a limited amount of space available at the base of the tower, but this will need to be coordinated and clearly defined once the contract is awarded. An onsite review was conducted on site and there does seem to be some areas at the base which will allow this.

ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.
