<b>Question Number</b>	<b>Question</b>	<b>Answer</b>
<b>054</b>	<p>The RFP indicates that work will be completed both remotely and on site at the DND Carling Campus (re: work requiring access to the Department Wide Area Network).</p> <p>a. Could the Crown please clarify if resource travel expenses to the DND Campus will be covered by the Department (i.e., travel, meals and lodging)?</p> <p>b. Could the Crown also clarify which resources will be expected to work on site: solely the SMEs responsible for the data migration work, or the entire team (i.e., including the Project Lead and Technical Writer)?</p>	<p>a) Any costs for the bidder's resource(s) to travel must be included as part of their firm fixed price proposal. No separate travel claims will be accepted.</p> <p>b) The successful bidder would be expected to minimize the amount of work to be performed on site at the DND Carling Campus in Ottawa, instead using remote methods as much as practical, which the DND Technical Authority will facilitate. It is not expected that the successful bidder's Project Lead or Technical Writer will need to attend on site.</p>
