Subject: P2400387 A Reissue - Request for Standing Offer (RFSO) - Translation Services (English to French) and Editing Services for French Documents

ADDENDUM No.1

Further to the above-mentioned Request for Standing Offer, Addendum No. 1 is hereby issued.

Question and Answer:

Question 1

The RFSO reissue states “no other credentials will be accepted” in Criteria M3. This differs from the original RFSO and its 1st Addendum. Can you clarify whether a master’s degree in translation, rather than a bachelor’s degree in translation, is acceptable for Criteria M3?

Answer 1

This Request for Standing Offer cancels and supersedes previous RFSO P2400387 dated February 7, 2024 with a closing of February 23, 2024 at 12:00 p.m. A bachelor’s degree in translation will be the only credential accepted for this criteria.
