### **Question and Answer:**

#### **Question 1**

Would ACOA consider eliminating rated criteria R4: The Offeror must have a fully operational, permanent, commercial office in Atlantic Canada. (10 pts).

#### **Answer 1**

The mission of the Atlantic Canada Opportunities Agency (ACOA) is to fuel economic development in Atlantic Canada. The rated criteria R4 (The Offeror must have a fully operational, permanent, commercial office in Atlantic Canada) was included in this request for standing offers in support of ACOA's mission; therefore, it will not be eliminated.
