

Analysis of Wastewater, Sludge/Biosolids, Leachate and other Complex Environmental Matrices for diethylhexyl phthalate (DEHP, CAS #117-81-7) and other phthalates

Basis of Payment

Year 1			
Matrix	Firm Price per Sample	Estimated Number of Samples	Total Firm price per sample X estimated number of samples
Wastewater influent		30	
Wastewater effluent		30	
Landfill leachate		30	
Surface water		30	
Sediment		30	
Sludge/Biosolids		30	
Biological Tissue		30	
Year 1 Total			

Option Year 1			
Matrix	Firm Price per Sample	Estimated Number of Samples	Total Firm price per sample X estimated number of samples
Wastewater influent		30	
Wastewater effluent		30	
Landfill leachate		30	
Surface water		30	
Sediment		30	
Sludge/Biosolids		30	
Biological Tissue		30	
Option Year 1 Total			

Option Year 2			
Matrix	Firm Price per Sample	Estimated Number of Samples	Total Firm price per sample X estimated number of samples
Wastewater influent		30	
Wastewater effluent		30	
Landfill leachate		30	
Surface water		30	
Sediment		30	
Sludge/Biosolids		30	
Biological Tissue		30	
Option Year 2 Total			

Option Year 3			
Matrix	Firm Price per Sample	Estimated Number of Samples	Total Firm price per sample X estimated number of samples
Wastewater influent		30	
Wastewater effluent		30	
Landfill leachate		30	
Surface water		30	
Sediment		30	
Sludge/Biosolids		30	
Biological Tissue		30	
Option Year 3 Total			

Option Year 4			
Matrix	Firm Price per Sample	Estimated Number of Samples	Total Firm price per sample X estimated number of samples
Wastewater influent		30	
Wastewater effluent		30	
Landfill leachate		30	
Surface water		30	
Sediment		30	
Sludge/Biosolids		30	
Biological Tissue		30	
Option Year 4 Total
