Question 8: I'm wondering about the Pre-Qualification Call for Artwork Inventory for exhibits. I have a projection artwork that is not a sculpture, but instead a work that would be projected onto a surface in the National Capitol. We have projected it in several places so far, and are currently in the running for a large-scale projection at the United Nations in Copenhagen this summer. I would like to see the work in Ottawa, but I'm not sure it will qualify within this call.

Réponse 8: Non, veuillez svp vous référer à la clause 10. Exigences techniques de l'annexe A – Énoncé des travaux.

Answer 8: No, please refer to clause 10. Technical Requirements in Annex A - Statement of Work.
