### Region of Opportunity:

- *Canada (or certain provinces/territories)*

### Region of Delivery:

- *Canada (or certain provinces/territories)*

**GSIN:** 41113100

### Notice Type:

- *Request for Proposal (RFP)*

### Tendering Procedure:

- *Open*

### Description:

The National Research Council of Canada (NRC), requires a Vacuum Volumetric Physisorption Analyzer for its research activities.

All the deliverables must be received on or before December 1, 2024.

### Basis of selection:

A bid must comply with the requirements of the bid solicitation and meet all mandatory technical evaluation criteria to be declared responsive. The responsive bid with the lowest evaluated price will be recommended for award of a contract.

Tenders must be submitted to the NRC Bid Receiving Unit at:  
[NRC.BidReceivingReceptiondesSoumissions.CNRC@nrcnrc.gc.ca](mailto:NRC.BidReceivingReceptiondesSoumissions.CNRC@nrcnrc.gc.ca)

Refer to the attached tender documents to obtain further information.

Canada retains the right to negotiate with any supplier on any procurement.

Documents may be submitted in either official language of Canada.

**Procuring Office:**

National Research Council Canada  
2620 Speakman Drive  
Mississauga, Ontario  
L5K 1B1 Canada

The NRC has adopted the Integrity Regime administered by Public Services and Procurement Canada. As a result, the integrity provisions are being applied in NRC contracting activities as outlined in this solicitation.

Canada will make available Notices of Proposed Procurement (NPP), bid solicitations and related documents for download through the Government Electronic Tendering Service (GETS) at <https://canadabuys.canada.ca/en/tenderopportunities>. Canada is not responsible and will not assume any liabilities whatsoever for the information found on websites of third parties. In the event an NPP, bid solicitation or related documentation would be amended, Canada will not be sending notifications. Canada will post all amendments, including significant enquiries received and their replies, using GETS. It is the sole responsibility of the Bidder to regularly consult GETS for the most up-to-date information. Canada will not be liable for any oversight on the Bidder's part nor for notification services offered by a third party.

**Indigenous Procurement:**

The federal [Indigenous Business Directory \(IBD\)](#) is an online resource for all levels of government and the private sector to identify Indigenous business capacity. Having a business profile in the IBD will increase your company's visibility and may provide additional business. A profile in the IBD can also allow you to compete for federal government contracts that are set-aside for Indigenous businesses through the [Procurement Strategy for Indigenous Businesses](#). For more information and to review eligibility criteria and register, visit: [www.canada.ca/indigenousbusinessdirectory](http://www.canada.ca/indigenousbusinessdirectory).
