

**RFP-2024-05 – PUBLICLY AVAILABLE SPECIFICATION - COASTAL PROJECT OPTIONS
APPRAISAL GUIDE**

AMENDMENT 002

This amendment is raised to modify the RFP document.

All other conditions remain the same.

In the RFP document:

Delete: Page 17: **Stage 3: Coordination, Deliverable b)** The draft scope of the PAS as developed during the inception of the project shall be further discussed and refined at the initial meeting and consideration shall be given to the composition of the steering group and review panel. Depending on the language preferences of participants voiced when the active offer was made, this may need to be done in both official languages.

Replace with: **Stage 3: Coordination, Deliverable b)** the scope was drafted, the required composition of the steering group and panel was considered, and the language requirements were met.

Delete: Page 18:

<p>Stage 4: Notice (Guidance clause 4.6.1)</p>	<p>a) A public announcement, in both Official Languages, shall be made of the commencement of the project and further details shall be sent directly to all stakeholders identified by the domain research as having a potential interest in the subject matter. The announcement shall include basic details of the project and shall invite stakeholders to engage with the PAS process by taking part in the public consultation and consider nominating appropriate experts as members of the review panel.</p> <p>b) The draft scope of the PAS as developed during the inception of the project shall be further discussed and refined at the initial meeting and consideration shall be given to the composition of the steering group and review panel. Depending on the language preferences of participants voiced when the active offer was made, this may need to be done in both official languages.</p>	<p>Confirmation from Project Manager that:</p> <p>a) the announcement was made in both official languages at the commencement of the project</p> <p>b) The draft scope of the PAS as developed during the inception of the project shall be further discussed and refined at the initial meeting and consideration shall be given to the composition of the steering group and review panel. Depending on the language preferences of participants voiced when the</p>

	active offer was made, this may need to be done in both official languages.
--	---

Replace with:

<p>Stage 4: Notice (Guidance clause 4.6.1)</p>	<p>a) A public announcement, in both Official Languages, shall be made of the commencement of the project. The announcement shall include basic details of the project and shall invite the public -to engage with the PAS process by taking part in the public consultation and to consider nominating appropriate experts as members of the review panel.</p> <p>b) As the project announcement is also a means of identifying interest groups who may make a valuable contribution through membership of the steering group, further details shall be sent directly to all stakeholders identified by the domain research as having a potential interest in the subject matter, inviting them to engage with the PAS process and to consider nominating experts to the steering group.</p>	<p>Confirmation from Project Manager that:</p> <p>a) the announcement was made in both official languages at the commencement of the project</p> <p>b) further details were sent directly to all stakeholders identified by the domain research as having a potential interest in the subject matter.</p>
