

This amendment to **SPMD-24-GCMO/A** is raised to extend the services completion date as follows:

1. At the RFP document – **PART 1- GENERAL INFORMATION, Para 1.1.2:**

Delete in its entirety.

Insert: 1.1.2 The collection and disposal of the gold concentrate waste must be completed no later than **July 23, 2024** or as negotiated with written approval from the Project Authority.

2. At the Annex A – Statement of Requirement document - Section 3.0 – Constraints, Para 3.5 – **Time Constraints**

Delete in its entirety.

Insert: The Hazardous Waste Disposal identified herein must be completed no later than **July 23, 2024** or as negotiated with written approval from the Project Authority.

All other terms and conditions remain the same.
