
This Amendment 002 to **SPMD-24-GCMO/A** is raised to extend the solicitation period and allow Suppliers the opportunity to attend the storage site for the Gold Concentrate Waste for the sole purpose of obtaining limited samples of the waste for analytical purposes.

As follows:

1. At the RFP document – **page 1 (Cover page):**

Delete: Solicitation closes at 1430h 2024-06-20

Insert: Solicitation closes at 1430h 2024-06-27

2. At the Annex A – Statement of Requirement document:

Insert: Section 5.0 Canada's Support to the Contractor – Waste Samples

Should Suppliers wish at their own risk, to obtain small samples of the gold concentrate waste, for the purposes of chemical analysis in order to prepare their Offer, Suppliers may schedule appointments with the Project Authority for a site visit during the following hours:

Wednesday, June 19th between the hours of 0800h and 1200h EST; or

Thursday, June 20th between the hours of 0800h and 1200h EST.

No other appointment times will be offered.

5.1 Interested Suppliers must contact the Project Authority to obtain the civic address and to schedule an appointment as follows:

Jamie Packard

jamie.packard@tpsgc-pwgsc.gc.ca

5.2 Suppliers are solely responsible to provide their own protective clothing, gear and collection supplies. These will not be provided by Canada.

All other terms and conditions remain the same.
