Questions and Answers

Round 1

To all Proponents:
VIA HFR wishes to respond to the following questions:

Question1:

What are your expectations for the solution? Are you looking for an off-the-shelf solution, or are you interested in building a custom solution from the ground up?

Answer1:

The Proponent is invited to consult the Main RFP Document, Appendix B (Technical Evaluation Criteria) bullet 3 (Assumptions).
"The proponent should assume that HFR is interested (as a minimum) in a viable and core ERP solution with out of the box functionality and minimum customization."

Question2:

Does this opportunity allow partnering with another company?

Answer2:

The Proponent is invited to consult the Excel spreadsheet (Selection Criteria), second tab (Documentation Checklist), Company Information, REQ#3.
"The Proponent must list all partners / alliances including subcontractors who will be involved in this project. The Proponent is solely responsible to address and resolve any action and/or damage caused by the sub-contractor, partner and/or ERP vendor."

Also, the Proponent is invited to consult Part 6 (Security and Other Requirements) bullet (d)
"In the case of a joint venture Proponent, each member of the joint venture must meet the security requirements."

Question3:

Required Insurance. Is it mandatory to have the amount of $5million or may it be $2 million?

Answer3:

VIA HFR rejects the proposition to change the insurance value. The Proponent is invited to consult the Main RFP Document, Part 7.
