Questions and Answers

Q1: Annex B- Basis of payment mentions - No substitutes will be allowed from the items specifically identified in Annex "B" as "no substitute" in the Bidder's Financial Offer. All stated specifications are mandatory.

Can the Senate remove the "no substitute" condition within the products as some of the products that have been indicated as "no substitute" are a house brand for a specific supplier, making other vendors non-compliant?

R1: The Senate will not remove the "no substitute" conditions on certain products.
