

RFP-2023-10 – NATIONAL WORKSHOP AGREEMENT – SUBSTANCE USE HEALTH-RELATED WITHDRAWAL MANAGEMENT (WM) SERVICES TO SUPPORT CARE ACROSS CANADA.

QUESTIONS AND ANSWERS 3

1. For (RFP) # 2023-10, is the expectation for this to address all substances? Or can we narrow the scope to those substances causing the greatest harm (the latter is much more feasible given the time period to complete this work).

Answer: Bidders have the opportunity to propose what they believe is feasible within the given time frame. We will consider all proposals. The feasibility and potential impact of each approach will be carefully evaluated before making a decision.
