THIS SOLICITATION AMENDMENT IS RAISED TO:

2. Adding section 6.23 Palletization

THIS SOLICITATION IS HEREBY AMENDED AS FOLLOWS:

1)

Question 1	The closing date of this solicitation is extended for a very long period, our bid is ready for submission. Is there any specific reason for this long extension? We kindly ask Canada to bring the deadline to next week as this project has been open for a very long period.
Answer 1	We will keep the extension to give other vendor time to get new pricing quote for the new amendments.

Question 2	Can you please re confirm that DND is looking for a an above water HPU with Gasoline engines?
Answer 2	Correct DND requires a land HPU with gasoline engines.

Question 3	Is it mandatory to use WHITE nylon sleeves as required by A1.1.2.3?
Answer 3	For a previous contract with DND, we requested permission to use BLACK nylon sleeves instead, (since the white ones are difficult to find) and permission was granted.
