Directorate

AMENDMENT 002

This amendment is raised to:

- A) Answer questions from bidders;
- B) Make revisions to the Request for Proposal document

A. QUESTIONS AND ANSWERS

- Q3.** There is a discrepancy between the requirements for the roles in the RFP and in the statement of work for a landscape architect with experience in trail design or a trail designer and an architect with heritage restoration experience. These roles are indicated in the Statement of Work Annex B Section 7.3.1 but not in the RFP Annex D. In addition there is the requirement for a climate change subject matter expert in RFP Annex D but not in the Statement of Work Annex B Section 7.3.1.
- A3.** The requirement for a Climate Change Subject Matter Expert and a Landscape Architect with experience in Trail Design/ Trail Designer should have been included on both East and West Asset Condition Assessment RFP and was omitted in error. Please refer to the revisions to the RFP as shown below.
- Q4.** Would PCA consider discounts for awards of multiple packages?
- A4.** Please be advised that discounts will not be offered for awards of multiple packages.
- Q5.** Can they declare which field units need French language services and what the expectation is on French Language reporting?
- A5.** For the Geographic Zone of Quebec, all reports must be bilingual.

B. REVISION TO THE REQUEST FOR PROPOSAL DOCUMENT

ANNEX D TO PART 4 OF THE BID SOLICITATION, TECHNICAL EVALUATION, 2. Mandatory Technical Criteria

Delete: Item No. M1 in its entirety

Replace with the following revised version of Item No. M1:

The Proponent must identify the name and discipline(s) of the Proponent firm, key Subconsultant firms, key Specialists and key personnel to be assigned to the project, along with their licensing and/or professional affiliation(s). Each Level of Authority identified in the Scope of Work (Annex A) must be provided with at least one member of the Proponent's team.

- a) Building Envelope Architect or Engineer
- b) Mechanical or Electrical Engineer, including climate change mitigation
- c) Civil Engineer
- d) Structural Engineer, specializing in bridges and marine structures
- e) Landscape Architect
- f) Cost Estimator
- g) Code Review Subject Matter Expert (building code, fire code, occupational
