

**RFP 100023331**

**ENGLISH**

**QUESTION #1**

Would HRSB be interested in entertaining a submission that speaks to the provision of Sign Language services, specifically American Sign Language (ASL) and la Langue des signes québécoise (LSQ), on this solicitation?

I ask as doing so would support meeting obligations that emanate from the Accessible Canada Act (ACA).

**ANSWER #1**

Thank you for the offer concerning sign language, but we already have a contract in place for a Communication Access real-time translation service (CART), so we won't need this service.
