**3. Former Public Servants**

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny, and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPSs, bidders must provide the information required below before contract award. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of bids is completed, Canada will inform the Bidder of a time frame within which to

provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the bid non-responsive.

**Definitions**

For the purposes of this clause, "former public servant" is any former member of a department as defined in the [Financial Administration Act](#), R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. It does not include pensions payable pursuant to the [Canadian Forces Superannuation Act](#), R.S., 1985, c. C-17, the [Defence Services Pension Continuation Act](#), 1970, c. D-3, the [Royal Canadian Mounted Police Pension Continuation Act](#), 1970, c. R-10, and the [Royal Canadian Mounted Police Superannuation Act](#), R.S., 1985, c. R-11, the [Members of Parliament Retiring Allowances Act](#), R.S. 1985, c. M-5, and that portion of pension payable to the [Canada Pension Plan Act](#), R.S., 1985, c. C-8.

By providing this information, Bidders agree that the successful Bidder's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2019-01](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

**Work Force Adjustment Directive**

Is the Bidder a FPS who received a lump sum payment pursuant to the terms of the Work Force Adjustment Directive? **Yes ( ) No ( )**

- g. number and amount (professional fees) of other contracts subject to the restrictions of a work force adjustment program.

#### **4. Enquiries – Bid Solicitation**

All enquiries must be submitted in writing to the Contracting Authority no later than five (5) business days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

#### **5. Applicable Laws**

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in New Brunswick and Nova Scotia.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the bidders.

If the information is not provided in the bid, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time period will render the bid non-responsive.

## **PART 5 - CERTIFICATIONS AND ADDITIONAL INFORMATION**

Bidders must provide the required certifications and additional information to be awarded a contract.

The certifications provided by Bidders to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare a bid non-responsive or will declare a contractor in default if any certification made by the Bidder is found to be untrue whether made knowingly or unknowingly, during the bid evaluation period or during the contract period.

### ANNEX A – Statement of Work

**Title of Contract:** CSC - Atlantic Regional Pharmacy – Medication Delivery Service

#### **BACKGROUND**

#### **OBJECTIVE**

The contractor must deliver and pickup medication supplies packaged in totes as per the schedule provided below.

#### **TASKS / TECHNICAL SPECIFICATIONS**

- The driver must pick up medication totes at the Atlantic Regional Pharmacy and deliver them to the institution on the same day as per the schedule below. CSC does not require this delivery service on statutory holidays<sup>1</sup>.
- CSC may require adjustments to the delivery on short weeks (i.e. prior to or immediately following a statutory holiday).

#### **Delivery Addresses and Schedule:**

<b>Driver #1</b>	<b>11:30- am – 4:00 pm</b>
Atlantic Institution (Renous, N.B.) 13175 Route 8	Monday, Wednesday and Friday 11:30 am - 4:00 pm
<b>Driver #2</b>	<b>9:00 am – 4:00 pm</b>
Dorchester Penitentiary / Medium sector (Dorchester, N.B.) 4902 Main Street	Monday, Tuesday, Wednesday, Thursday and Friday
Dorchester Westmorland / Minimum sector (Dorchester, N.B.) 4902A Main Street	Monday, Tuesday, Wednesday, Thursday and Friday
Springhill Institution (Springhill, N.S.) 330 McGee Street	Monday, Tuesday, Wednesday, Thursday and Friday
Nova Institution for Women (Truro, N.S.) 180 James Street	Monday, Wednesday and Friday

<sup>1</sup> New Years’ Day, Good Friday, Easter Monday, Victoria Day, Canada Day, New Brunswick Day, Labour Day, National Day for Truth and Reconciliation, Thanksgiving, Remembrance Day, Christmas Day, Boxing Day.

- Once at the institution, the driver must pickup the medication supplies the institution Health Care is returning to the Regional Pharmacy including totes (empty or containing medication) and return them to the Regional Pharmacy on the same day before 16h00.
- The contractor must provide delivery services starting from the drivers morning pickup times. At CSC's request, the contractor must adjust the start times based on the workload. Driver #1 pick up time is usually scheduled at 11:30am and Driver #2 at 09:30am.
- The pickup and delivery schedule may be subject to change. CSC will inform the Contractor, in advance, of any change to the delivery schedule.
- Dorchester Penitentiary and Westmorland Institution are located adjacent to one another but have separate drop locations.
- The contractor must provide, other than the schedule above, urgent deliveries to institutions. CSC will determine whether a delivery is urgent. An urgent delivery is a shipment or package that must to be delivered quickly, usually within the same day, due to time- sensitive or critical circumstances.
- The contractor must provide, other than the regularly scheduled deliveries, occasional pick up and delivery of medication to and from local public health and local hospital or clinics.
- The contractor must provide a minimum of 4 security cleared drivers, to meet CSC's minimal operational requirement for 2 main drivers and 2 backup drivers.
- CSC will determine appropriate delivery times and locations according to institutions protocols (i.e. delivery directly to heath care, or front door or warehouse stores).
- Throughout the shipping process, the locked medication totes must remain in a secured vehicle at ambient temperature controlled conditions.
- If not being transported, medications must be stored either at the institution (Health Care Unit or at the Regional Pharmacy). The driver must notify the Regional Pharmacy if they are delayed or detained. The contractor must ensure that its drivers do not keep medications in their personal possession after hours.
- If the drivers are only returning empty totes and are unable to arrive at the regional pharmacy before the closing time, the drivers may hold the empty totes overnight and return them the next day.
- Regional pharmacy's hours of operation are from 8:00 am to 4:00 pm.
- CSC will use a chain of signatures, via triplicate weigh bills or shipping reports, to verify the quantity of sealed totes shipped to and from the institutions. Three bills are issued by the contractor for each shipment via the driver for the shipper, one for the consignee to be returned to shipper upon arrival at pharmacy and one for the contractor.

- The driver must carry a company personal identification card or other appropriate documentation and present the card when asked to do so by CSC staff at any pickup or delivery site, or both.
- Due to the unpredictable weather in the Atlantic Region (i.e. winter storms), hazardous road conditions may present an element of risk to the contractor's drivers. When the contractor feels inclement weather will present undue risk, the contractor must decide if it is able to provide pickup and delivery of medication supplies on that day. If the contractor decides to carry out the pickup and delivery of medication supplies in spite of inclement weather, the contractor will accept all risks. The contractor must contact the Regional Pharmacy to advise them when the contractor will not be providing services due to inclement weather. CSC will not pay the contractor if it is not providing services due to inclement weather. At the request of the Regional Pharmacy, the contractor must make adjustments to the delivery schedule before or following an interruption in services due to inclement weather.
- In the event of road closures, the contractor must use alternate routes in order to complete the deliveries, at no additional cost to CSC.

All work will be performed subject to the inspection and acceptance by the Project Authority.

## ANNEX D - Evaluation Criteria

### 1.0 Technical Evaluation:

#### 1.1 The following elements of the proposal will be evaluated and scored in accordance with the following evaluation criteria.

- Mandatory Technical Criteria

It is **imperative** that the proposal **address each of these criteria** to demonstrate that the requirements are met.

- 1.2 LISTING EXPERIENCE WITHOUT PROVIDING ANY SUBSTANTIATING DATA TO SUPPORT WHERE, WHEN AND HOW SUCH EXPERIENCE WAS OBTAINED WILL RESULT IN THE STATED EXPERIENCE NOT BEING CONSIDERED FOR EVALUATION PURPOSES.
- 1.3 All experience must be strictly work-related. Time spent during education and/or training will not be considered, unless otherwise indicated.
- 1.4 Experience must be demonstrated through a history of past projects, either completed or on-going.
- 1.5 References must be provided for each project/employment experience.
  - I. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a Public Servant**, the reference must be a Public Servant who had a supervisory role over the proposed resource during the stated employment.
  - II. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a consultant**, the reference must be the Public Servant who was identified as the Project Authority of the project on which the proposed resource acquired the experience.
  - III. References must be presented in this format:
    - a. Name;
    - b. Organization;
    - c. Current Phone Number; and
    - d. Email address if available

### 1.6 Response Format

- I. In order to facilitate evaluation of proposals, it is recommended that bidders' proposals address the mandatory criteria in the order in which they appear in the Evaluation Criteria and using the numbering outlined.
- II. Bidders are also advised that the month(s) of experience listed for a project or experience whose timeframe overlaps that of another referenced project or experience will only be counted once. For example: Project 1 timeframe is July 2001 to December 2001; Project 2 timeframe is October 2001 to January 2002; the total months of experience for these two project references is seven (7) months.
- III. For any requirements that specify a particular time period (e.g., 2 years) of work experience, CSC will disregard any information about experience if the technical bid does not include the required month and year for the start date and end date of the experience claimed.
- IV. CSC will also only evaluate the duration that the resource actually worked on a project or projects (from the start date to end date), instead of the overall start and end date of a project or a combination of projects in which a resource has participated.

**MANDATORY TECHNICAL CRITERIA:**
