Q9. With regards to M3 of Network Analyst and System Administrator - experience with LIVESCAN, we fully understand and respect the value of this experience considering that LIVESCAN is an integral part of your operational ecosystem. Would DND be open to modifying this mandatory to allow for other biometric experience instead of LIVESCAN specific experience?

A9. At this point in time, DND will not be making changes to this mandatory.

Q10. Could the Crown please extend the deadline by two weeks?

A10. DND will grant another one-week extension to this solicitation. We will not be granting any further extensions to this solicitation.
