

Q3. Scope of Work - Supplies - Is there a separate washer/dryer on site available for staff to use?

A3. There is no washer/dryer on site for staff to use.

Q4. During the site tour we noticed two large, wheeled garbage bins. Do they belong to CFIA, or does the contractor provide them?

A4. The two large, wheeled garbage bins, do belong to CFIA.

Q5. Scope of Work - Building Cleaning Operations: We noticed that service times are listed as 07:30-16:00, however on the price return sheet it asks for rates outside of service hours and Sundays and Statutory Holidays. Do you have historical data as to how many hours each of these would have used in the past?

A5. Service outside of regular hours, on Sundays and Statutory Holidays are a very rare occurrence (i.e. less than a few hours a year at most).

Q6. Scope of Work - Supplies: We noticed several paper towel dispensers through out the lab spaces. Do you have any historical data on usage for these and can you confirm that we would be responsible to supply paper towel and hand soap for all locations not just the washroom spaces?

A6. I do not have any historical data for usage of these paper towel dispensers. Yes the vender is responsible for supplying paper towel and hand soap for all locations not just the washrooms spaces.

Refer to 4. Special Requirements in English and French, of ANNEX A STATEMENT OF WORK.
