

ATTACHMENT 1B TO PART 4 – TEST EQUIPMENT & ALTIMETERS, POINT RATED TECHNICAL CRITERIA

DEFINITIONS

For the purpose of this Point Rated Technical Criteria Evaluation, the following definitions apply:

- 1.1 **Aviation Life Support Equipment (ALSE):** is the class of equipment used by the Royal Canadian Air Force to support aviation life systems and survival equipment primarily intended for the preservation of life, the prevention of injury, or the environmental protection of the crewmembers or passengers.
- 1.2 **Test Equipment & Altimeters:** is the class of equipment used to access the performance and the capability for all aircraft devices and systems used in the Royal Canadian Air Force. This group also includes instrumentation required for the testing of parachute release devices and in hyperbaric chambers utilised for aircrew training.
- 1.3 **In-house:** Carried out by the Bidder, at the Bidder's facility, by the Contractors Mobile Repair Party (MRP) at Department of National Defence (DND) facilities, without sub-contracting.
- 1.4 **Repair and/or overhaul:** The core services that comprise Repair and/or overhaul are defined as:
 - i) Inspection and evaluation;
 - ii) Disassembly and assembly;
 - iii) Testing and calibration; and,
 - iv) Engineering Support.
- 1.5 **Similar Equipment:** Equipment having alike or comparable functionality, capability, design, safety, and handling requirements to the equipment listed in Appendix 1 – List of Applicable NATO Stock Numbers (NSNs) and that is used in aviation applications.
- 1.6 **Recent:** Within five years of bid closing date.

# RT 1	Rated Technical Criteria	Supporting Evidence Required	Points Awarded	Points per Item	Evaluation/ Comment(s)
	<p>The Bidder must demonstrate their contracted, recent, in-house experience in the repair and/or overhaul of the items in Appendix 1 to Annex A – List of Applicable NSNs as follows:</p> <ul style="list-style-type: none"> a) Experience can be demonstrated for a maximum of five items. b) A maximum of two item per Rated Criteria Group in Appendix 1 to Annex A – List of Applicable NSNs can be cited. 	<p>1) The Bidder must demonstrate their contracted, recent, in-house repair and/or overhaul experience for:</p> <ul style="list-style-type: none"> a. A maximum of five items that are presented in Appendix 1 to Annex A – List of Applicable NSNs; or, b. A maximum of five items of similar equipment; or, c. A combination of up to five items that meet the requirements of 1a or 1b. <p>2) The Bidder must provide the following information:</p> <ul style="list-style-type: none"> a. Item identification information: <ul style="list-style-type: none"> i. For items listed in Appendix 1 to Annex A – List of Applicable NSNs, the applicable NSNs, Part Numbers and NCAGEs. ii. For items of similar equipment, part number(s), OEM information, technical specifications and the Annex A NSN that the items is similar to with justification. b. Name(s) of the client organization(s); c. Contract(s) start and end date(s) (month/year to month/year); d. A summary of how the services provided for the items listed above align with the core services that constitute repair and/or overhaul. 	<p>Points will be awarded for each item based on contract duration and in accordance with the following scale:</p> <p>0 to 11 months: 0 points 12 to 23 months: 10 points 24 to 35 months: 20 points 36 to 47 months: 30 points 48 to 59 months: 40 points 60 months or more: 50 points</p> <p>The cumulative score for all items will result in the final score for this rated criterion.</p> <p>Maximum awardable points for this criterion is 250.</p>	<p>Item 1:</p> <p>Item 2:</p> <p>Item 3:</p> <p>Item 4:</p> <p>Item 5:</p> <p>Total:</p>	

# RT 2	Rated Technical Requirement	Supporting Evidence Required	Points Awarded	Points per Contract	Evaluation/ Comment(s)
	<p>The Bidder must demonstrate their recent, in-house contract management experience.</p>	<p>The Bidder must provide the following information for each contract cited in support of their recent, in-house contract management experience:</p> <p>a) Name(s) of the client organization(s);</p> <p>b) Contract(s) start and end date(s) (month/year to month/year);</p> <p>c) Value of the contract(s);</p> <p>d) A summary of how the services provided for the item listed above align with the core services that constitute repair and/or overhaul.</p> <p>Should a Bidder provide an example of a contract they cannot provide an example of a follow on contract such as bridge or replacement contracts.</p>	<p>The value of up to three contracts for which the Bidder has sufficiently demonstrated their in-house contract management experience will be awarded points in accordance with the following scale:</p> <p>\$0 - \$199,999: 0 points \$200,000 - \$399,999: 5 points \$400,000 - \$599,999: 10 points \$600,000 - \$799,999: 15 points \$800,000 - \$999,999: 20 points \$> 1,000,000 : 25 points</p> <p>Maximum awardable points for this criterion is 75.</p>	<p>Contract 1:</p> <p>Contract 2:</p> <p>Contract 3:</p>	

<div>TOTAL SCORE FOR POINT RATED CRITERIA – SUMMARY TABLE</div> <div>(This table is to be completed by the Evaluation Team composed of Representatives of Canada)</div>		
Name of Bidder:		
Criterion #	Total Points Awarded	Evaluator Comment(s)
RT 1	____ / 250	
RT 2	____ / 75	
Total Points	____ / 325	
Minimum Points Overall required	160 / 325	Met / Not met
Name of the Evaluator:		Signature: _____ Date: _____
