AMENDMENT 001

PURPOSE:

The purpose of this amendment is to answer questions from potential bidder:

Q1) Can you please provide the UNSPSC equivalent number for the above requirement?

A1) A UNSPC number has not been mapped for this NSN, a GSIN is still being used.

From the Canadabuys site: [Finding and using UNSPSC codes | CanadaBuys](#)

The Government of Canada began replacing its current system, the Goods and Services Identification Numbers (GSIN), with the UNSPSC in 2021. All the GSIN codes will eventually be mapped to UNSPSC codes. During this transition, UNSPSC and GSIN codes will be used in parallel. This means that for now, some federal government departments will still use GSIN. In addition, historical data will not be converted to UNSPSC codes and will keep GSIN codes.

Here is a clip of the CGCS with the GSIN and some additional information, the NCAE is Genaire Ltd.
