Nature of Requirements:

The following is a summary of the statement of work for this requirement.

Correctional Service of Canada, in the Ontario Region has a requirement to provide Aftercare Psychology Services for the Peterborough Parole Office.

Objectives: Provide essential and non-essential mental health and/or psychological assessment or psychological risk assessment services to offenders, as requested by the Project Authority, as a psychologist at the Contractor's business location in the Peterborough area in the Ontario Region or other CSC -approved locations when needed, including Personal Health Information Protection Act (PHIPA) approved video conferencing devices with prior approval by the Project Authority.

Deliverables: To provide psychological assessment and/or treatment services as a Registered Psychologist in Ontario for a maximum of **160 hours per year**. Treatment and counselling orientation utilized by Correctional Service Canada (CSC) is cognitive-behavioural. All psychological treatments offered to offenders by the contractor must be evidence-based with known application to offender populations. The principal focus of treatment will depend on the nature of the referral and the offender's needs. Although the usual objectives of treatment include the reduction of risk to reoffend, a priority should also be placed on the amelioration of the offender's mental health and emotional or behavioural functioning, including feelings, attitudes, beliefs and behaviours that moderately to severely impact or interfere with daily functioning. The offender's motivation for the index offence should be addressed in this context. The Contractor must take into account gender, cultural, religious and linguistic differences and be responsive to the special needs of women and Indigenous People.

The Contractor must provide all services in compliance with federal and provincial legislation and standards, provincial and national guidelines, practice standards and CSC Policy/Guidelines including the CSC Mental Health Policy and Integrated Mental Health Guidelines.

The Contractor must provide services in accordance with the ethical and professional practice standards of the applicable provincial regulatory body, the Canadian Code of Ethics for Psychologists and relevant legislation guiding the practice of Psychology within correctional settings.

The Contractor must consult with the Project Authority to ensure that all psychological practices are consistent with the relevant and most current legislation, practice standards and policies.

On a yearly basis or as determined by the Project Authority, the Project Authority or designate will review a sample of reports to determine if they meet CSC and professional standards for psychological reports. If a report is judged to be substandard, the Contractor must amend the report as requested at no extra cost to the Crown. The amendment must be completed, and the amended report submitted to the Project Authority within one (1) week following the date when the amendment was requested.

Timeliness of the submission of all reports will be monitored on an ongoing basis by the Project Authority. Timeliness will form part of the assessment of the Contractor's work.

Any conditions for participation of suppliers not specified in solicitation documentation: none.
